

Hivefloor – User Tips:

3 Steps to Define your Market

Follow these simple steps to connect with commercial buyers before your season starts

Step 1. Create a New Offer

Log into the Hivefloor and click 'Create new Offer'.

Click 'Set Price'

Click 'Selected Buyer(s)' and name your Offer'

Click 'Select Buyers'

Step 2. Find your Buyers

Click 'Select Buyers'

Use the 'Buyer Filters' to explore potential buyers by Name, State and Type

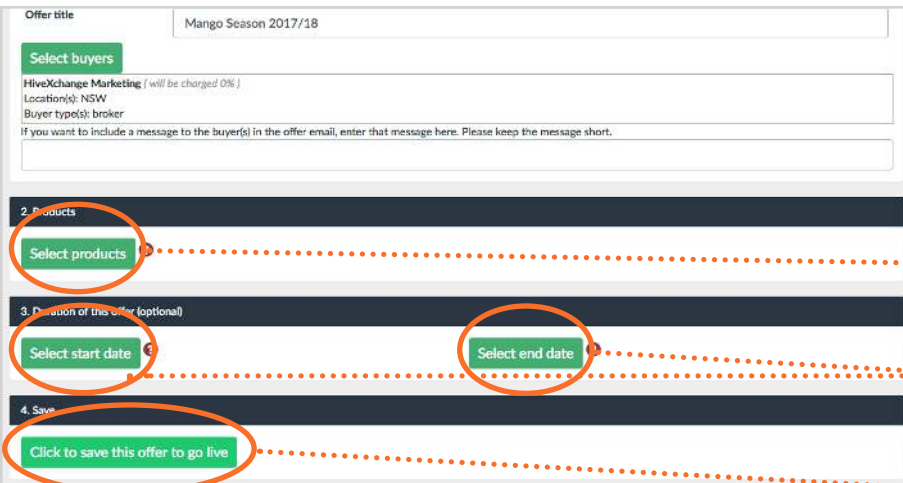

Select desired buyers (selections go green), when finished click the 'Done Selecting Buyers' button

Step 3. Prime your Market

Click 'Select Products' to offer desired products

Set offer 'Start' & 'End' dates in line with your season (can be updated at any time)

Select 'Click to save this offer to go live'. Buyers will receive an email notification of your upcoming season
